Worthy Sir Knights,

Lent is rapidly coming to a close as we enter into Holy Week and await the Resurrection of our Lord. With all the snow still on the ground, it is hard to believe that Easter is just a little over a week away.

As my past Grand Knight used to say “if we aren’t growing, we’re dying”. The 4th degree exemplification is coming soon and will be held on June 3rd in Waterville. If you know of any 3rd degree Knights from within (or without) your council, please encourage them to pursue the 4th degree this coming spring. I have form 4’s if anyone needs one. These absolutely need to be in by our May meeting.

Anyone wishing to attend and support the candidates at the exemplification, I will get the details to you. Anyone wishing to attend the banquet, the cost is \$35.00.

Our “spring” dinner has now turned into a fall dinner. We will be talking about putting something together at St. Max to be catered by Maria’s.

It is also that time of year when we put together a slate of officers for the coming year.

There will be a “1st Annual Knights of Columbus Charity Golf Open” on Monday July 17th. If anyone is interested in putting together a team from Assembly 337, please let me know and I will get the details to you.

As you may or may not know the Maine legislator is currently debating a bill that would make assisted suicide legal in Maine. Please take the time to write a heartfelt letter to your local legislators. It really does make a difference.

Please continue to support all our brothers and their councils throughout the Diocese.

For the good of everyone in the State of Maine please pray for an end to these miserable snow storms!!!
