

# Knights of Columbus Council #101

Our annual charity raffle is unique to Council 101. Our council has raised over \$70k for local charities. That is a fantastic amount of money. But the challenge is and will always be selling the 200 tickets. Please consider buying just (1) ticket for your family! Just (1) ticket from each of our council members would make a huge difference. If \$100 is out of your means consider splitting the cost of a ticket with a friend or relative. The drawing will be held March 12. Please contact Paul Leblond or Bill Green for a ticket. Drawing is March 12.

## Happy St. Patrick's Day!!

Are you interested in running for office with for Council 101. Please contact Paul Leblond for more information.

Joseph Rehabilitation and  
Residence.

Are you preparing your documents and paperwork for your taxes? Did you know that the Knights of Columbus offer products that can help lower your tax burden?

We have products such as IRAs, Roth IRAs, SEP IRAs, and Long Term Care premiums that you can use as tax write offs. You can also be guaranteed to make a profit with our retirement products because we offer a fixed rate. If you're concerned about the way the stock market has been collapsing in the last couple of months, then talk to me about moving some of your 401(k) or IRA to the Knights, where you know it will be sound and secure.

Remember, out of the financial and insurance agencies that have at least \$100 billion in force, only one is Catholic and is guaranteed to only invest in companies that share your Catholic values. That company is the Knights of Columbus. We've been providing Catholic families with financial stability since 1882.

Thank you to all our brother knights who make events happen. Working in the kitchen to volunteering at soup kitchens to serving in our parishes. Charity is the principal of the 1st degree and to our neighbors.

During this time of Lent, may we continue to visit the sick, feed the hungry and clothes those in need.

Lord hear our prayer.
