

Knights of Columbus Council #101

I am writing this newsletter during Holy Week. I was trying to find an inspiring prayer or reflection for the upcoming Easter season to include in this newsletter. I went to the www.kofc.org site but could not find what I needed. I checked out a few other Catholic sites but did not find anything there either. Since I was having a difficult time I decided to reflect on the past month. Lent is a time of reflection, a time to quiet down but most importantly a time to revisit our commitment to our Lord Jesus Christ. Lent will likely be over by the time you read this and the Easter season has just begun. Did we follow through with our commitment? Did we take advantage of the prayer services the church offered? Did we go to confession? I can only answer for myself and come up with an excuse as to why I did or did not. But I do feel blest that as a member of the Knights of Columbus we have a venue to recommit ourselves to Christ and to each other all year long.
