Bro Mark LaPointe collects donations from a family at Shaw's Northgate

October Highlights

There was a lot of activity in the month of October. Thank you to Bros. Lou Profeno for organizing this year's **Tootsie Roll Drive** during the Columbus holiday weekend. We raised \$1,776.00 at the (3) Shaw's locations in Portland and Westbrook. Thank you to all brother Knights we participated. Well done! We will be receiving a check for 80% of these funds in the amount for \$1,324.80. These monies must be ear-marked for charities of our choice.

Kudos to all assisting on the **Baked Bean Supper** held at the St. Pius X Church Hall. Between the supper and breakfast in September Council #101 was able to turn a check over to Our Lady of Hope Parish in the amount of \$600.00.

Get Your Cash Calendars!!!

We're selling cash calendars to raise money for our council! They are \$10 per calendar. We begin drawing the winners on January 1 and will select one winner each day that month. If you win once, we'll put your name back in the pot for other chances to win! These would make great gifts to hand out at work to co-workers for Christmas, or stocking stuffers for your siblings, parents, or kids! We need to sell 134 to break even, but if everyone gets at least one we'll almost break even! We're selling them until December 31, but get'em while they're hot off the presses!

Insurance Information

Brother Knights

In an effort to increase membership, for every potential member you refer to me I will buy a cash calendar in your name until December 31. This will help our council grow, will help us sell calendars, and will help your growth as a Brother Knight.

During the October meeting I briefly mentioned Long Term Care. Prices at assisted living facilities and nursing homes are skyrocketing! It's close to \$8k a month at St. Joseph's Manor. We issue long term care up to the age of 75. Even if premiums seem expensive, they may be less than you think. You can also write off a percentage of the premium because it is a tax qualified product. If you have a health savings account (HSA) you can use that pot of money to help pay down some of your premiums. Also, what you pay in premium for a monthly benefit will provide considerable savings compared to out of pocket costs.

Our Structure

The Knights of Columbus international headquarters is located in New Haven, Connecticut. Led by the Supreme Knight, the chief executive officer of the Knights, the office provides administrative support and leadership for our more than 15,000 local units.

Jurisdictions

The Supreme Council has more than 75 state council organizations to help guide regional activities that are consistent with the principles of the Order.

Districts

Each state council is divided into districts - groupings of several local councils.

Local Councils

Local councils are the basic unit of the Knights. Most are based in parishes, though some have their own council hall within a community. Each local council works to assist with the needs of its community consistent with the principles of the Order. A Knights of Columbus council can work wonders; in fact, with its many programs, it can help change the community, town, city or neighborhood in which you live. However, a successful Knights of Columbus program depends on people taking the initial idea, modifying it to suit specific situations and local needs, then implementing the program in the way it works.

Each local council evaluates the needs of their community and implements those programs and activities that are most needed in their area. The Knights of Columbus Service Programs activities are designed to engage the council members in various activities across a host of categories.
