We have been invited to a BBQ supper with Council 101 on June 1. They need a count of our members. Please call me at 210-6665 and leave your name. We were asked to bring a dessert to share. It will take place behind the Parish Hall. This is a get together with 101.

Andy has been working on the handicap doors and ramp for the Parish Hall. At this time a deposit has been made handicap doors and the parts are on order. An estimate for the ramp should be known by the meeting on the 7th. We are also getting an estimate for the steps and ramp combined, from another company on the 2nd of June so we should have that information too.

Sea Dog tickets or the money must be turned in before the June 7 meeting.

The Parish Hall has 16 new light weight tables. These will replace the old heavy ones.

We have not heard from the State Council if we can join with Council 101.

We hope to see everyone at our next meeting.
